**GOLD SPONSORSHIP**

The Colorado Roofing Association (CRA) is committed to taking pride in the roofing industry and promoting the work we do. On February 22, 2018, the CRA will hold its sixteenth Annual Awards Dinner to recognize the outstanding work of roofing contractors who belong to the CRA.

The Awards Dinner will be held at The Omni Interlocken Hotel in Broomfield. During this dinner, awards will be given for outstanding jobs done in 2017. Awards will be given in five categories (based on size of contract) along with a community service award. A Lifetime Achievement Award will also be given to an individual in the roofing industry whose contributions have impacted our industry in a positive way.

With your support and commitment as a Gold Sponsor, your company can help to improve the overall quality of the Awards Presentation. As a sponsor at this level, you will receive a table for 10, recognition of your company and logo on promotional materials, event signage, program guide, and newsletters timely to the event.
