

Continuing Involvement Requirement for Members 2017

Continuing Involvement Units (CIU) Table

CRA recognizes that continuing education is significant to advancing and improving our profession. We would like to see our entire membership get more involved and participate in the many association activities provided throughout each year. CRA Continuing Involvement Units will keep members up-to-date, let them master new knowledge and skills, plan for the future and responsibly meet the role CRA members play in the community and the roofing industry in Colorado.

On November 3, 2016, the CRA Board of Directors voted to create the CRA Continuing Involvement Unit (CIU) requirement. To remain in good standing, CRA Member will be required to submit 8 CIU's starting January 1, 2017 through December 31, 2017 for their company's renewal in 2018. **This requirement will be for all current and new contractor members.** Associate members are exempt from the CIU requirement but are encouraged to participate for their own personal benefit and that of the roofing profession. Records will be kept for all members.

Continuing Involvement credits can be earned in a number of ways and variety of learning formats by attending CRA approved seminars, workshops, trainings, events, etc. The units are calculated per person and then totaled for each company.
