

Looking for a Summer Job?

We have you covered. . .

- FREE Training
- Great Pay

- Gain valuable employment skills
- Work with your hands
- Work outdoors
- Team building
- Reliable career path

The Colorado Roofing Association (CRA) is offering 16 paid scholarships to recent or upcoming high school graduates looking for summer work or a career path with year-round employment and great pay!

Roofing is a dynamic, hands-on industry that is always in demand. There is plenty of work to be done and money to be made! Roofers work outside, year-round and with a variety of people and places. You might work on a massive superstructure downtown or a private residence in the mountains — making each day different and interesting.

Self-motivation and safety awareness are key in this highly rewarding job. Roofing is constantly evolving which creates new challenges as technologies change and green building issues grow.

This is your opportunity to gain valuable experience, a summer job and a great paycheck.

WHAT ARE THE REQUIREMENTS?

- Minimum age of 18
- High school diploma or equivalent
- Must attend a 1-week *Introduction to Roofing Training Course* (June 12-16).
- *Physically able to do the work— roofing requires good balance, physical stamina, strength and unafraid of heights. Must have endurance to perform lifting up to 100lbs, stooping, bending and other activities throughout the day.*
- Submit application by May 31, 2017.
